Dear brethren and friends,

The peace and joy of our Lord Jesus be with you! We have good news for you all!

Italian Field, in cooperation with General Conference (GC) Music Committee, is glad to invite you to the 2020 International Music Conference, in the Italian Dolomites Region, which will be held from July 12 to July 19, 2020. This Conference, dedicated in special way to our musicians of all parts of the world, will coincide during the last days with Italian Spiritual Field Conference. From Sunday, July 12, in the evening, to Friday July 17, singers and instrumentalists are invited to join the GC International Orchestra for three days of intensive rehearsals in order to produce high quality audio and video recordings to be used as a tool for missionary outreach, as well as to perform free sacred concerts for the public.

We will spend this unique week in reflexion about God's Word, during the morning and the evening, and free time in the picturesque mountain nature of a region near Dolomites.

"The melody of song, poured forth from many hearts in clear, distinct utterance, is one of God's instrumentalities in the work of saving souls" (5T 493).

"Rightly employed, music is a precious gift of God, designed to uplift the thoughts to high and noble themes, to inspire and elevate the soul... It forms a part of God's worship in the courts above, and we should endeavor to approach as nearly as possible to the harmony of the heavenly choirs. The proper training of the voice is an important feature in education, and should not be neglected." (PP 594).

Motto of this meeting will be: Heavenly Harmonies

***"Their voice goes out through all the earth, and their words
to the end of the world."
