*Romans 12:2 Do not conform to the pattern of this world, but **be transformed by the renewing of your mind**. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will.*

Dear young people from around the world,

The world is rapidly changing. And you know that significant changes in your life are right around the corner. Your body is changing, people around you are changing, your environment is changing. Change is inevitable, for better or worse.

However, God doesn't want us to just change, **He wants us to be transformed**. Are you looking for that positive change in your life? Do you want to experience transformation and spiritual growth?

Come to Spain in the summer of 2023. Join us for the international youth event where our guest speakers will dive deep into **topics about spiritual transformation, practical life transformation and physical transformation**. We know that with God's help we can all "Be Transformed" and we believe you will not leave the same person you were before.

For now, we want you to **save the date and plan your summer to be in Spain** the last week of August. Soon, we will share more details and instructions on how to register. Make sure to subscribe to our mailing list and follow our Instagram or Facebook profiles to get up-to-date information and to be informed as soon as registrations open.

Looking forward to hearing from you. May the Lord bless you in your daily life.
