A New Kind of Christian Education

PLYMOUTH LEADERSHIP COLLEGE

ACCELERATED EVANGELISM PROGRAM

JANUARY 23 - MAY 28, 2022

Our Mission & Purpose

Located In Rural California, Plymouth Leadership College is dedicated to preparing disciples who will go into the world and share their personal experience in the everlasting gospel. In our accelerated evangelism program students will learn of the Word and how to share it with others over four months, with a variety of different instructors. Then, with the support of the nine local churches in the area they will get a chance to start putting their new skills in sharing the Word to use while in the program. When concluded, students will be able to go back to their communities, their workplaces, their families, their churches, and their schools, better equipped to give an answer for their faith. They will not only share their testimony but also be empowered to prepare new disciples themselves.
